H Club Rally Held Mar. 25

Hancock County 4-H Club Rally, held at the A. & C. Club, March 25 at 8:00 a. m. The rally was held to raise funds for the club's activities. The program consisted of a talent show, a quiz, and a raffle. The club members and their families were present. The rally was a success and the club members were very happy.

DAVID THOMAS GETS 6 MONTHS

David Thomas, local resident, was tried before Judge Nellus Rhodes for robbing Claud Chandler, driver of a transport truck. He was found guilty and fined \$100 and given a six months jail sentence. Chandler also was arrested for being drunk and acting in an indecent manner. He received two fines, one of \$10 and the other \$15. The arrest of Thomas was made by deputy Gerald Favre. Thomas was the last man seen with Chandler who had pulled his transport van onto the side of a road, while traveling through Bay St. Louis. On questioning, Thomas admitted guilt to robbing Chandler. He was charged with petty larceny, prosecuted by Judge Rhodes, who administered the fine and jail sentence.

SPECIAL MEETING OF LITTLE THEATRE TO AMEND BY-LAWS

The membership of the Bay St. Louis Little Theatre has been notified of a Special Meeting to be held in the Playhouse on Boardman Ave on Friday April 29 at 7:45 p. m. to vote on an Amendment to the By-Laws with respect to the annual awarding of "Oscars".

The awarding of "Oscars" annually by the Little Theatre has for years been a matter of much discussion and the present Board of Directors have taken a definite step in calling a Special Meeting so that the membership could voice its opinion to that section of the By-Laws governing the "Oscar" awards.

"The membership at the annual meeting in December, of each year, shall award an 'Oscar' for the outstanding play of the season, by popular vote. The voting may be by voice vote, showing of hands or by ballot, as may be necessary or appropriate at the time, in the discretion of the officer presiding."

"An 'Oscar' with the year and name of the play, so chosen, inscribed thereon, shall be suitably placed in the foyer of the theatre, to remain permanently."

All who have secured their 1955 Membership Cards by April 29 are entitled to attend the meeting and vote on the proposal.

LEAGUE OF WOMEN VOTERS

The League of Women Voters will hold its annual general meeting Monday night, April 11, at 8 o'clock at the Library on Court St. There will be an election of officers for the coming year, and plans for the League's work will be outlined at the meeting. All members are urged to attend.

George L. Seuzeneau III is a patient in Touro Infirmary in New Orleans. He suffered a fractured pelvis when he fell from his bicycle last Friday. Mrs. Seuzeneau is staying in New Orleans during her son's confinement.

POLIO SHOTS PLANNED FOR 1st, 2nd GRADE KIDS

COUNTY READY TO START

Vaccine Gets Federal OK

Dr. C. M. Shipp, Hancock County Health Officer, has been notified that Salk polio vaccine probably would be delivered to this county between April 19 and April 25, provided the evaluation report on polio vaccine scheduled for release April 12 justified use of the vaccine.

Dr. A. L. Gray, director of the Mississippi polio vaccine program, told Dr. Shipp he thought the vaccine was safe.

The County Health Office this morning told the EAGLE that Dr. C. M. Shipp and his staff are ready to administer the polio vaccine as soon as it is released.

School buses will transport children of the first and second grades of all schools in the county to the Health Department at City Hall where the vaccine will be administered.

National Institute of Health would require about a week, possibly less, after April 12 to license the product if it were released.

"We also believe," Dr. Gray said, "that approximately 48 hours will be required for the vaccine to reach Jackson from the distributing point after the licensing date."

"It is further believed that we will get the supply of vaccine to Hancock County within 12 hours after it reaches Jackson," the state health official declared.

The vaccine will also be available commercially if the evaluation report is favorable.

The possibility of the availability of a polio vaccine, following the release of the Evaluation Report on the Salk vaccine April 12, has prompted parents to ask many questions about the vaccine and Mississippi's preparedness plans for the anticipated nationwide vaccination program.

These questions, compiled in the preventable Disease Control program of the State Board of Health, are herewith answered by Director A. L. Gray, MD, who not only directs the Mississippi polio vaccine program but is a member of the National Advisory Committee on polio vaccine.

1. What is the Salk polio vaccine?
It consists of the three types of polio virus, treated with a solution of formaldehyde to make them harmless. When injected, the vaccine induces the human body into setting up a defense against such invasion by producing antibodies.

2. Will the polio vaccine harm my child?
Use of the Salk vaccine last year with 440,000 children in the nation proved its complete safety. The vaccine causes no reaction other than a slight sore at the injection site.

3. When will the vaccine be available?
The vaccine is expected to be available between April 19 and April 25, provided the evaluation report on polio vaccine scheduled for release April 12 justified use of the vaccine.

4. Can my child get the vaccine free from the county health department?
He can if he is in the group selected by the National Foundation for Infantile Paralysis to get the free vaccine supplied by them to the State Board of Health.

5. How can I get the vaccine for my child who is not in the group selected for free vaccination?
If the report shows that the vaccination is effective, it will be available to your child through your private physician. Make arrangements with him. Unfortunately the health departments do not have funds to buy vaccine nor the time, with their limited staffs, to give the vaccine to more than the selected group.

County Ready To Start

Vaccine Gets Federal OK

Dr. C. M. Shipp, Hancock County Health Officer, has been notified that Salk polio vaccine probably would be delivered to this county between April 19 and April 25, provided the evaluation report on polio vaccine scheduled for release April 12 justified use of the vaccine.

Dr. A. L. Gray, director of the Mississippi polio vaccine program, told Dr. Shipp he thought the vaccine was safe.

The County Health Office this morning told the EAGLE that Dr. C. M. Shipp and his staff are ready to administer the polio vaccine as soon as it is released.

WINS SCHOLARSHIP

Miss Alice Scaife, daughter of Mayor and Mrs. John Scaife, won a four-year scholarship to Dominican College in New Orleans.

Scholarships were awarded on competitive examinations. Seventy-six young ladies, representing 24 schools in 16 cities in 4 states competed for the 10 scholarships that are awarded annually in this competition.

Five awards are given to New Orleans city schools and five to out of city and state entrants.

Miss Scaife, 17 year old senior at St. Joseph Academy, will be graduated in May. In addition to her high average in school work she is a talented musician. She plays piano and has had voice and dancing training.

Miss Scaife will enter Dominican College in the fall semester.

Gerald Price Sr.

Is Candidate

For Sheriff

Few people know the efficiency with which the blood bank works. Last week blood was needed in Poplarville for a Hancock County resident who was hospitalized there. This was an emergency need.

A call was put in to George Heitzmann, chairman of the Hancock County Blood Bank. He relayed the request to Foundation Hospital in New Orleans where the local blood is stored. The Louisiana Highway Patrol sped through New Orleans from Foundation Hospital with four pints of blood. They were met at the State Line by State Highway Patrolman Bill Kenney and Judge Nellus Rhodes. In one and one half hours from the time of the request to Foundation Hospital the blood was delivered to waiting physicians at the Poplarville hospital, and the patient given the needed amount that probably meant life.

Another case was with the local King's Daughters Hospital. Last week blood was needed urgently for a patient. Mrs. Santa Cruz, director of the hospital, contacted Blood Bank workers, who relayed the need to New Orleans. In 47 minutes from the time Mrs. Santa Cruz telephoned to request the desired blood, it was delivered to the hospital here.

These are just two examples of the work done by the local blood bank. These are just two times when blood meant life for one of our own citizens, and thanks to the generosity of local donors blood was available.

There will be another blood drawing April 20. The quota of Hancock County since the inauguration of the bank has been filled 100 per cent. There have been many times when this blood was needed. And it was there.

Heitzmann urges that everyone in the county who is physically able contribute their blood to this worthy project. It may mean your own life that you will save. It may be the life of someone near and dear, or it may mean the life of a fellow citizen. But whoever it may be that is in need of blood, if that blood is readily available, it will mean a life saved.

Having been a law enforcement officer of this country for 18 years I am willing to stand upon the record made by me as an officer throughout this time.

It has always been my policy to run upon my merits and not upon the demerits of any candidate or candidates who might run against me. I have never indulged in any type of "mud-slinging" and will not at this late date in life begin something that I have always disapproved.

Four years ago I was a candidate for Sheriff and was defeated by only a few votes for this office. With this kind of backing I feel confident of success but realize full well that I need the support of all citizens and sincerely hope that the qualified electors of this county will see fit to move me from second place to first place.

In addition to my experience of eighteen years of a law enforcement officer, I would like to call attention to the fact that I am a member of the American Legion, being a veteran of World War I, and a member of the Party and Night Society.

I sincerely and sincerely solicit the support of every citizen of Hancock County and assure each and every one a fair and impartial enforcement of the law.

RUMORS

Rumors have been running rampant about the possibility that the Board of Supervisors have abandoned all idea of erecting a hospital for the county.

Upon inquiry to members of the Board this rumor was definitely refuted. It is the intention of the Board, who concurred at their last meeting that a county financed hospital would most benefit the community, would be a definite program of the Board. They are presently working toward this goal.

Architects have been assigned to submit plans for this project. Construction of a low cost hospital building requires a great deal of study and planning to obtain the best at the least cost. This is the prime object of the members of the Board of Supervisors, who are all in accord that a hospital is an essential part of the community. The Board further agreed at their last meeting held in March that a protest election by 10 per cent of the people, instead of the usual 20 per cent minimum would be called by them if objections were raised.

In the interim it would seem good policy for the populace to work together with the men they have elected into office rather than have the constant harassment that can only hinder any good that may come from constructive planning and working together.

Meetings on a proposed hospital for Hancock County have been held regularly for the last six or seven months. These meetings are open to the public. Those who have attended were privileged to express opinions and offer advice. A number of citizens have done that.

After months of planning and listening to all persons desirous of being heard, the Board concurred that the consensus of the people was for a county financed hospital. They are now working toward this end.

These men do not have Jack's magical bean that can be tossed from an open window, and, in the morning, where the bean rested a hospital is found. They are spending the people's money when they construct. It is therefore the duty of the people to stand with their elected representatives, to enable them to give the best at the least cost, to spend the funds over which they have jurisdiction as wisely as possible. This can only be accomplished with the aid of the people and not with false rumors that undermine the best intentions.

Mothers, Girls Vie In Hilarious Cage Event

Hilarity was keynote of the traditional basketball game which took place at SJA Gym on Tuesday night, with the mothers vs. the daughters in the limelight.

Dressed in the costume which they have adopted, of middy blouses, knee length bloomers and red hair ribbons, plus black cotton stockings and high topped tennis shoes, these attractive mothers of teen age daughters were a sharp and ludicrous contrast to the smartly shorted and bloused garb worn by the daughters of today.

A parade in the afternoon through the main thoroughfares of town with the players marching and carrying banners set the mood for the hilarity of the evening session.

Three referees were shackled by state patrolman Bill Kenny, and imprisoned to the goal posts for daring to call a foul against these intrepid players of a bygone era. When one tiny mother failed to land the ball in the basket, a stepladder was brought onto the scene for her convenience and she gracefully stepped up the rungs and placed her ball in the basket, for which she made about 30 points on the scoreboard.

Not to be neglected during the second quarter of the game, the fathers came out onto the floor. Dressed in wigs, of all descriptions and as nearly as possible garbed as mothers they added a note of consternation to the girls who were their opponents.

The gym was crowded to capacity, and the evening rocked on with all sorts of improvised horseplay, which brought peals of laughter from the spectators. The cheering section was quite active, with many cheerleaders of bygone days leading the rooting and tooting, and the band from St. Stanislaus added the swing of music throughout the evening.

The score board attendants went as wild as the players, and scores jumped from 9 to 50 with a flip of the wrist, and no visible making of a goal.

It was real down to earth fun and the mothers who participated are to be congratulated on their pep and perseverance. The wonder is how they could contribute so much physically and still get up Wednesday to give papa and the girls their breakfast.

MEC SIXTH ANNUAL MEETING APRIL 12

Citizens of Hancock County are cordially invited to attend the Mississippi Economic Council's sixth annual meeting in Jackson Tuesday, April 12, according to Robert L. Hamilton of Bay St. Louis, one of the MEC directors for this area.

The meeting will get under way with a noon luncheon, at which Governor Robert F. Kennon of Louisiana will speak.

A public forum on education featuring a keynote talk by O. H. Roberts Jr., president of the National School Boards Association, will be held beginning at 2 p.m. Russell Lindsey of Laurel, chairman of the Council's education committee, will moderate the question and answer period.

There is no charge for the educational forum, but reservations are necessary for the luncheon and banquet. Tickets for the luncheon are \$3.00, for the banquet, \$4.00—or only \$6.00 for both if purchased together. Those desiring reservations should mail their checks to the Council's headquarters, P. O. Box 1949, Jackson. All sessions will be held in the Hotel Heidelberg.

LOGTOWN Locals

BY CLAUDIA MURPHY

Miss Viola Lee was honored by a birthday party Sunday afternoon, March 27, at her home. Those attending were: Nora and Linda Quave, Betty and Bobby Stuckli, Helen Packwell, Mary Evelyn and Dianne Penton, Leon Peterson, Elvin and Arnold Fleming, Bobby and Sonny Smith, James Spence, Letta Dell Douglas, Barbara Bennett and Mr. and Mrs. C. B. Penton, chaperones.

Miss Joyce Miller, Mrs. Robert Ferzonde and son, Robert Jr., spent a few days with their parents and grandparents, Mr. and Mrs. Carl Miller.

George McArthur Jr., son of Mr. and Mrs. George McArthur Sr., returned home from Korea, where he has been serving in the US Army.

Mr. and Mrs. George Ladner and children, Eddie and Susan, spent the week end with Mr. and Mrs. F. A. Balus in Biloxi.

Herbert Wilkinson Jr. of the USN left for Washington where he will be stationed for a few months.

Sympathy is extended to the Lamar Otis family whose daughter and sister, Miss Minnie Otis, passed away at the Otis home Saturday morning at 1 a.m. The interment was held at the Logtown cemetery Sunday afternoon at 2 p.m. Pallbearers were Roy Baxter Jr., Bobby Baxter, Austin Baxter, Walter Gex, Argie Mitchell and Ralph Rousseau.

She is survived by her parents, Mr. and Mrs. Lamar Otis, Henry Otis, brother, of Gulfport, and Mrs. Mildred Fountain of McComb.

Mrs. Henry Dean of Slidell was injured Saturday morning going to her store in Logtown in a traffic mishap which occurred on Highway 11 in front of the St. Joseph Catholic Church. Mrs. Dean's car was involved in a collision. She was rushed to Slidell, where she was sent by ambulance to the Baptist Hospital in New Orleans.

Mrs. Henry McArthur and Henry Jr. spent Sunday afternoon with the W. W. McArthurs.

TO RECRUIT MARINE OFFICERS IN APRIL

Sergeant Bailey, U S Marine Corps recruited in the Gulf Coast area, was recently notified that an Officer Procurement Team will visit the state during April to recruit potential officers for the Marine Corps.

Available information revealed that the Procurement team will be under the direction of Capt. Dan L. Mills who is responsible for officer procurement in the southeastern states.

Sergeant Bailey noted that any college student in good standing, physically sound and between the ages of 17 and 27, is eligible for a commission in the Marine Corps. He accepted, he may complete college uninterrupted, since he will be deferred from other military service. There are no drills or military classes to attend during the regular college year as Marine officer training takes place either during the summer months or after graduation from college. Further information concerning any phase of enlistment may be obtained from Sergeant Bailey, who is located in the County Court House in Gulfport.

TAKES MANSION IN SIBERIA

Mrs. Mary Ellen Donax Louis of Slidell, the beautiful millionairess, who has taken a large mansion in the Soviet Union, is expected to return to the United States in the near future. She is the wife of a prominent businessman and has been in the Soviet Union for several years. She is expected to return to the United States in the near future.

STEW GRANGER, LIZ TAYLOR IN ACE 'BEAU BRUMMEL' CAST

"Beau Brummel," new MGM attraction at the Hi-Way Drive-In Theatre Sunday, Monday and Tuesday, brings to life one of the most engaging and controversial figures of England's flamboyant Regency period—the dashing, reckless, ardent adventurer who gambled life and love on fame and left his mark on the fashions, morals and court intrigues of his day.

With Stewart Granger fitting the title role like a glove and with Elizabeth Taylor, Peter Ustinov and Robert Morley enacting the pivotal characterizations of Lady Patricia Wyatt, the Prince of Wales, and the mad King George III, the picture filmed in color in England, is given both authentic and sumptuous backgrounds, with its action covering the pomp and spectacle of a parade of the Royal Hussars, a racing meet at Newmarket, a lavish recreation of the Prince of Wales birthday ball, a colorful hunting sequence and a dramatic episode which takes place in the Throne Room of Windsor Castle.

STRENGTH NOW

Enlistments in the local unit of the Air National Guard this week brought the total strength to 54 men.

Sgt. Wilbert J. Adams, who is in charge of supply for the unit, will head a convoy of several trucks for the base supply depot in Meridian to start the flow of a considerable amount of supplies and equipment earmarked for Company G. In addition to several pieces of large equipment assigned to the organization from different points in the country, three dump trucks will arrive from Camp Shelby this week.

The National Guard offers young men the opportunity of a lifetime—the opportunity to start meeting military obligations in their own home town. Men 17 years of age may enlist in the local unit with their parents' consent. They have a choice: wait and take a chance as to when Selective Service may call, or start meeting military obligations right now in the National Guard. If they wait, they will be inducted and leave home for full time military service without any previous training. If they enlist in the local National Guard organization, they can begin training while still at school or in civilian occupations.

For further information concerning the local National Guard unit, call 1385 or write the Commanding Officer, PO Box 284, Bay St. Louis.

A. C. Mitchell spent Tuesday and Wednesday of this week in Jackson where he attended the meeting of the Clerks of the Circuit Court on proposed state legislation.

The Hancock County School Board and the Board of Trustees of the Hancock County Board of Education have agreed to a plan for the construction of a new high school building in the district.

In order to reconstruct the district, the Hancock County Board of Education has agreed to a plan for the construction of a new high school building in the district. The plan calls for the construction of a new high school building in the district.

The Hancock County School Board and the Board of Trustees of the Hancock County Board of Education have agreed to a plan for the construction of a new high school building in the district. The plan calls for the construction of a new high school building in the district.

Due to the fact that most of the methods of financing the program have already become law, the two Boards felt they could now proceed with the employment of a survey agency to make the survey for Hancock County and the Bay St. Louis Municipal District.

In a joint meeting of the two boards on Friday night, March 25 at the Hancock County Court House it was decided to employ the Associated Consultants in Education, headed by Dr. H. W. Ivy, Director of Meridian, Mississippi to make this survey. The work on the survey will begin immediately. It will take approximately seven months to complete the survey.

POLITICAL ANNOUNCEMENTS

The Hancock County Eagle is authorized to announce the following as candidates for offices as listed, subject to the action of the Democratic Primary Election to be held in August 1955.

**LESS COTTON, RICE
WILL BE PLANTED**
Mississippi farmers will plant
less cotton and rice in 1955 than
they did last year. The Mis-
sissippi Crop and Livestock Re-
porting Service said its estimates
were based on reports from farm-
ers and government acreage re-
ports. More oats, hay, sorghum,
soybeans and sweet potatoes will
be planted this year.

Corn acreage will be about the
same as last year, 1,700,000 acres;
oat acreage will increase about
27 per cent over last year and
a new high for Mississippi.
Hay crops will be about 13
per cent more than actually cut
last year when drought damage
was heavy. Soybean acreage will
increase five per cent and sweet
potato acreage will increase the
same.

BAY ST. LOUIS, MISS.

As the twig is bent...so grows the tree

Today's dependable natural gas service was shaped by far-sighted
producers, who, years ago, foresaw the present demand for this
versatile, low-cost fuel. They are investing many millions of dollars
in exploration annually - to meet today's needs and to provide ade-
quate supplies for the future. Each year the demand increases...
and each year new millions are spent for exploratory wells, despite
the fact that eight out of nine produce nothing at all. It is important
that we encourage the producer wherever possible in his efforts to
provide us with more natural gas. We think you will agree that...

...this is a search that must never end

Core samples taken from deep in the earth during drilling
operations often indicate success or failure in the long, costly search for natural gas.

FEDERATION WOMENS CLUBS
 TO MEET AT MSCW APR. 15-16
 The 57th annual convention of the Mississippi Federation of Women's Clubs will be held on the campus of Mississippi State College for Women in Columbus, April 15-16.
 Most of the 264 member clubs are expected to send representatives to the state meeting, according to Mrs. J. R. Patterson of Pontotoc, federation president.

General chairman of the convention is Mrs. Raymond Stiles of Sturgis, president of District Two Clubs. Preliminary plans provide for a full program of business sessions and luncheon and dinner meetings with speakers, including a national club worker, Miss Barbara Shaw, junior director of the General Federation of Women's Clubs, will speak at the junior clubs' luncheon Friday at 12:30 p.m.
 A pageant "Mississippi Memories" will be staged in Whitefield Auditorium Friday night, with each of the six federation districts presenting an historical event in the state's history.
 The executive board of the state federation will meet Thursday night before the general session. The Board session will be held at the Columbus Hotel.
 The Woman's Club of MSCW will be hostess group for the convention. Mrs. Nancy L. McHaney, alumnae secretary, is club president.

 Governor Hugh White Thursday...
 Mississippi last summer participated in the summer speed control program with gratifying results. Between Memorial Day and Labor Day—the safety emphasis period—fatal accidents were reduced 27.3 per cent, second highest reduction among 24 participating Southern and Northeastern states.

In singing the proclamation, Governor White pointed out that "to be an effective means of reducing traffic deaths and injuries, 'Slow Down and Live' requires both the full and complete support of public officials and the civic and business leadership of the state." He called upon every motoring Mississippian to get behind the program this coming summer and demonstrate that Mississippi can again be a leader in highway safety.

Commissioner of Public Safety T. B. Birdsong today disclosed that 1955 accidents to date exceed those of the corresponding period a year ago. He too called for complete support of the "Slow Down and Live" campaign.
 The program will be active from 6 p.m. May 27 to midnight Sept. 5 (Labor Day) 1955.
 "Slow down and Live" was first observed in 1953 by 14 Northeastern states. The program met with such success that the campaign was extended to cover the 13 Southern States in 1954. This year the program will be nationwide.

Witnessing the special ceremony in the Governor's office were representatives of the press; Commissioner of Public Safety T. B. Birdsong; Grady Gilmore, state safety coordinator; Tom Cameron and George Lemon Sugg.

At the closing luncheon, Dr. R. C. Cook, Executive Vice President and General Manager, State Times, Jackson, will speak on "Power of the School Press."

At the closing luncheon, Dr. R. C. Cook, Executive Vice President and General Manager, State Times, Jackson, will speak on "Power of the School Press."

REQUIREMENT FOR VOLUNTEERS AT GULFPORT VA HOSPITAL
 A request for additional volunteers to assist in the new Gulfport Veterans Administration Hospital has been made by the Physical Medicine Rehabilitation Service, Nursing Service, Special Service and the Psychology Service. It was announced today by Dr. W. K. Freeman, hospital manager. Interested adults of Bay St. Louis and surrounding communities who have sufficient leisure time to participate in this voluntary service program are invited to attend the Veterans Administration orientation course which will be presented by the professional staff on Wednesday, April 13, in the Recreation Annex at the hospital. The afternoon session will begin at 1:30 p.m. with the evening class to convene at 7:30 p.m.

Volunteers are presently rendering valuable supplemental service to the professional staff at the hospital in the above treatment programs by simulating Manual Arts Therapy has been requested for volunteers to assist the staff in motivating patients in the various activities of this program, including sheet metal work, woodworking and photography. Male volunteers with physical education background have been requested by Corrective Therapy.

Emphasis on writing letters for patients has been projected by the Chief, Nursing Service, as being a distinct aid to patients. In Special Service, the Library

Further information on the voluntary services program may be obtained by calling Carl R. Fridlund, Chief, Special Service, at the Gulfport VA Hospital. Transportation to the hospital may be arranged through

Spring Concert Keeps LaNasa's Chorus Busy
 Bay High's Chorus under the direction of Marcel LaNasa, and working on plans for the annual Spring Concert, April 29. The numbers to be sung by the chorus are: "The Lord's Prayer" by Albert Hay Malotte, "Thine" by Oscar Rabinowitch, "Lead me Lord" Samuel Sebastian Wesley, "Chorus Song" Dmitri Botztrank, "Beautiful Dreamer" Stephen C. Foster, "The Americans Creed" W. T. Page and Hugo Frey, "Charmaine" Rapes Pollack, "You'll Never Walk Alone" Oscar Hammerstein, "Juana" Little Brown Church in the Vale and "Abide With Me."

The Chorus is also planning ahead for Vesper Services the Sunday before graduation and the college graduation exercises. At this time they are working on "Toccata" and "The Lord's Prayer."
 On April 1 the Chorus will attend the Choral Festival at Pearl River Junior College along with many high school choruses from surrounding districts. The Festival is scheduled for four o'clock in the afternoon.

Karo for me, the best-tasting eating syrup of 'em all

Yes, indeed...biscuits go like hot cakes when you pour on plenty of delicious dark Karo...there's nothing like it for good eating. Satisfying flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night for anything!

For grocer for DARK Karo, in pint and pints

OUR STATE

THE STATE OF MISSISSIPPI

SEAL OF MISSISSIPPI

Present State Seal has been in use since Mississippi became a state in 1817. It is described in the Laws of the State, First Session, First General Assembly, 1817, as follows: "The seal of this state, the inscription shall be 'The great seal of the state of Mississippi' around the margin, and in the center an eagle with spread wings, and a shield on its breast, and a banner in its beak, with the words '1817' on it."

NEWMAN CLUB NEWS

The Junior Newman Club will end its year's work by presenting a skit on vocations. The members of the JNC will undoubtedly not be able to be an active part of the club next year as the skit will be in their honor as well as the closing of the year. This skit will take place in St. Joseph Academy's auditorium at 7:30 p.m.

The summer school Catechism classes will begin June 8 and will end June 20. Students from Bay Junior High, Bay High, Elementary and Webb School are invited to attend these classes. More information concerning the summer school catechism classes will be sent to the parents of students who are requested to attend the classes.

Friday, March 25, was Career Day at Mississippi Southern College. The Mississippi Academy of Science, affiliated with the American Association for the Advancement of Science gave a science fair. Two of Mr. Brode's Science Students took part in the Science exhibits. These were Thomas Webb and Phyllis Allison. Thomas exhibited the "Amphibians of the Lower Coastal Plain of Mississippi." This took in frogs, toads and salamanders. Phyllis exhibited the "Snakes of the Lower Coastal Plain of Mississippi." This took in both poisonous and non-poisonous snakes.

The awards were divided into three groups, three awards to each group. The first group was the scholarship awards open to Seniors. The scholarships were \$1200, \$800 and \$400. The second group was Biology, which awarded equipment certificates. The third group was medal awards and honorable mention, which awarded first, second and third place. Third place medal award went to Phyllis Allison.

Mrs. Erwin's FHA Club will attend the district meeting of the FHA in Biloxi April 2. The number of members attending this meeting is not definite. The Bay St. Louis chapter will present the devotional. Miss Clea Kay Miller, candidate for district secretary, will give scripture reading and religious songs will be sung by members present at the meeting.

Betty Crocker's Good and Easy Cook Books are being purchased by Bay High homemaker students. This illustrated cook book in color is being sold at a special high school rate. It is an entirely new kind of cook book attractive and easy to use, that takes into account all the frozen, canned and ready-mixed foods that speed up and simplify cooking today.

Bay High Student Council is preparing for next year school term. They are placing orders for BHS beanies and sport pins. Later on this year, elections will be held for the officers of the council for next year.

POST OFFICE DEPARTMENT TO ASSIST IN REPORTING OF FOREST FIRES

The Regional Office of the US Forest Service has announced in a letter to State Forester Jim Craig that the Post Office Department has again agreed to cooperate in reporting forest fires. According to the Postmaster General, postmasters, rural and star route carriers will be instructed to "cooperate fully with the program in the same manner as they have in previous years."

The letter from the Regional Office states that "this definitely includes the reporting of forest fires to State Forest Officers." Craig said that such help from the Post Office Department will be very beneficial to the Mississippi Forestry Commission's fire control program. "Many acres of forest land will no doubt be saved from the deadly ravages of fire throughout the entire state," he added, "as a result of this fine cooperation."

NOTICE!

APRIL 1 LAST DAY TO FILE
HOMESTEAD EXEMPTION
APPLICATIONS

Besides regular home owners, those acquiring new homes prior to January 1, 1955, may be eligible for Homestead Exemption, and should investigate.

If you have not already done so, let me urge you to renew your application, on or before the abovementioned date. It will be to your advantage.

CLAIBORNE J. LADNER
Tax Assessor
Hancock County, Miss.

The Gulf Coast Theatre of Arts will present a one-act play in its annual "family meeting" at "The Old Oak," the new Christian home of Mrs. Dorothy Smith. The play, "The Mother Party," by Lydia Hagedorn will star Vicki Hill, who will enact the role of Allison Sherwood, a theatrical "has-been" who dies with her two daughters for a cherished role on Broadway.

Ray Bippie plays the part of "Fanny," long-time household companion of the former Broadway star, while Imogene Allison does the most successful role of her career, supplying the comedy highlight as a hilarious Mastrucce.

Helen Ballard, who plays Miss Sherwood's eldest daughter, is a new-comer to the group and adds great interest to the play with a smooth performance. "Laurette" is ably done by Carol Belmont, a member of the Community Players in New Orleans.

Francis Daves Jones is acting as guest director. Mrs. Jones will be remembered as having contributed valuable assistance to the local Little Theatre. She has a rich background in the legitimate theatre as well as having conducted her own company at one time. In addition to this she was a concert pianist with a national network, and worked in many films.

The Theatre of Arts is comprised of residents of the Gulf Coast and is instrumental in bringing fine entertainment in every field of art to its patrons. Each artistic division has its own chairman of which Vicki Hill heads the Drama Wing.

The performance is scheduled for 4 p.m. Sunday, April 3 and is open to members and their guests. A tea will immediately follow the program.

Jerry Borden returned to his home in Sioux Falls, S. D. following a week's visit here with Mr. and Mrs. Joseph R. Scharff and their son, Larry. Borden and young Scharff are fellow students at Northwestern University.

DIVISION OF STATE AID ROAD CONSTRUCTION
MISSISSIPPI STATE HIGHWAY DEPARTMENT
BOARD OF SUPERVISORS OF HANCOCK COUNTY SECTION 900

NOTICE TO CONTRACTORS

Sealed bids will be received by the Board of Supervisors of Hancock County at Bay St. Louis, Mississippi until 2 o'clock P. M. April 4, 1955, and shortly thereafter publicly opened for:

Construction of Grading, Drainage, Base Course and Double Bituminous Surface Treatment on 1.912 miles of County Highway, Blue Meadow Road, known as State Aid Project No. S-23(3).
Principal items of work are:

- 290 Lin. Ft. 18" concrete pipe culvert
- 20 Lin. Ft. 18" concrete pipe culvert
- 271 Lin. Ft. 15" concrete culvert pipe (RCSS)
- 104 Lin. Ft. 18" concrete culvert pipe (RCSS)
- 38 Lin. Ft. 24" x 36" concrete culvert pipe arch (RCSS)
- 27 Lin. Ft. 15" concrete pipe culvert
- 454 Lin. Ft. Pipe removed (all sizes)
- 2 Each Project signs
- 4 Each Warning signs
- 1.5 tons Commercial Fertilizer 5-10-15
- 6732 Sq. Yds. Sprigging
- Lump Sum Cattle Guard
- Gallons Cut Back Asphalt Prime Coat (ME)
- 15150 Gallons Asphalt Cement for Surface Treatment
- 390 Cu. Yds. Cover Aggregate Type IV uncashed
- 202 Cu. Yds. Seal Aggregate Type VI Slag

BASIS OF AWARD: The award, if made, will be made to the lowest qualified bidder on the basis of the published quantities. The attention of bidders is directed to the State and Federal Laws governing selection and employment of labor.

The minimum wage paid to all skilled labor employed on this contract shall be \$1.00 per hour. The minimum wage paid to all intermediate and unskilled labor employed on this contract shall be 75 cents per hour.

Plans and specifications are on file in the office of the Chancery Clerk of Hancock County at Bay St. Louis, Mississippi and in the office of the State Aid Engineer, 802 Woolfolk State Office Building, Jackson, Mississippi.

Proposals may be secured from A. C. Mitchell, Chancery Clerk of Hancock County, Bay St. Louis, Mississippi upon payment of \$5.00 which will not be refunded.

Certified check or bid bond for five per cent (5%) of total bid, payable to HANCOCK COUNTY and the STATE OF MISSISSIPPI, must accompany each proposal.

Bidders are hereby notified that any proposal accompanied by letters qualifying in any manner the condition under which the proposal is tendered will be considered an irregular bid and such proposals will not be considered in making the award.

J. S. SHAW, PRESIDENT
3-10-41 Board of Supervisors

BIGGEST CAR
of the low-price 3 is Plymouth

MORE LUXURY OUTSIDE
You'll be understandably proud of the new low, flowing lines of your new Plymouth. Its 17 feet of shining steel make it the biggest car of the low-price 3 (8.4 inches longer than one car, 5.3 inches ahead of the other). And its glamorous new Full-View windshield, with swept-back corner posts, gives you wider, safer visibility than either of the "other 2" low-price cars.

MORE COMFORT INSIDE
Plymouth's greater over-all dimensions also mean more interior roominess. You get the widest front seat (by up to 2 inches), the greatest front and rear leg room (by up to 3.7 inches). Plymouth's door openings are higher and wider, too, permitting the easiest possible entry and exit. What's more, Plymouth's new trunk is mammoth—with far greater capacity than the "other 2."

SMOOTHER BIG-CAR RIDE
Only a truly big car like Plymouth can give you the luxury of a big-car ride. Plymouth's longer and stronger frame, wider rear springs and Oriflow shock absorbers provide the smoothest ride in the lowest-price field. And Plymouth's great new 6-cylinder PowerFlow 117 gives you the smoothest, thriftiest performance. Another top engine: Plymouth's new 167-hp Hy-Fire V-8.

Best buy new; better trade-in, too!

DIDYANO?

they...

BY MORRIS KATT

It's a pretty Zenith Radio and it only cost 60¢ Polar Bear wrappers plus 15 cents. And it belongs to...

The Mother-Daughter Basketball game was last Tuesday night and of course those athletic mothers were victorious. When it comes to putting on a floor show while playing ball they really are experts. Congratulations!!! But I'm trying to figure out how many mothers thought it was worth it Wednesday morning!!!

Peggy Kergosien, J. L. Gonzalez, Albert Soucier and Walter Alf. Letic Gex were given a surprise party at the teenage club Friday night. We owe many thanks to Mr. and Mrs. Glover our faithful chaperones. They really are swell with us, so here's hoping they can put up with us for a long time in the future.

A black and white hard top convertible (FORD, naturally), a cute boy, a date Sunday night, a date to the prom. HMMMM!!!

Where there's steps there's Tina and Tammy. Ahhh!!!

SJA had a very successful retreat. Huh girls??? and the boarding students were given a party in Fenton Saturday.

The Seniors received their pictures Monday. Oh, those beautiful Dolls!!!

Monday Morning Pat had a big grin on his face. Couldn't have been left over from Sunday night. He got that long awaited date.

Friday morning there were some Weary Willies at SSC. B. P. we think you should check up on their activities of Thursday night, especially Billy, Kenny and Pat!

SWEET POTATO GROWERS LISTED

A list of all the certified sweet potato plant growers in Mississippi has been prepared by the State Plant Board and will be ready for distribution by April 1, according to R. P. Colmer, Chief Inspector of the Board. This list contains the names and addresses of all certified growers as well as the varieties and number of potatoes bedded for the production of plants. Requests for the list of certified growers should be addressed to the State Plant Board at State College.

are they will be high when you need them.

By raising your own pigs you can concentrate on raising a meat type hog that the public demands. Choose the breed you like, but be sure to choose the right type hog within the breed. Stay away from chubby and the long rangy kinds. Select the middle-of-the-road meaty type hog.

3-24-46

CHARLES R. ASHFORD Secretary

Stanislaus Wins Title

Teams from St. Stanislaus, Gulfport High and Bay High got the 1955 track and field campaign off to a flying start on the Coast Monday afternoon at Bay St. Louis. The Rocks-chaws of Coach Farley Day, showing winding form and depth, were highest in the standings with 65 points on a 5-4-3 scoring basis. Seven first places, six runner-up spots and six third places were posted by the winners. Coach Roland Dale's Commodores from Gulfport gathered firsts in five of the 14 events in, totaling 44 points. Bay High's tigers had two first positions in its 29 points. Sophomore, Jay Lacoste, who grabbed two points for Gulfport, was the high jumper on the meet. He took the 120-yard high hurdles in 17.7 and the 18-yard low hurdles in 24 seconds flat. Lacoste registered seconds in the 220-yard dash and high jump for a total of 19 points. Stanislaus' sprinter from south of the border, Alfonso Vasquez, broke the tape ahead of the field in the century with 10.6 and the 220-yard dash in 25 flat. Bay High's all-round athlete, Tommy Holden, was another double winner. Holden, who was a letterman on the Tiger grid and cage teams, captured the 440-yard dash in 57.8 and sailed 19 feet, 1 1/2 inches in the broad jump. Lacoste, who holds the school record of 5 feet, 10 inches in the high jump, was second to Stanislaus' Louis Ladner. The event was taken with a posting of 4 inches under Lacoste's standard. Junior Jimmy McDaniel hurled the discus 123 feet, 3 inches. Lacoste and McDaniel, who also performed on the basketball court, will probably round into form later in the season. James Morton, the Commodore's senior miler, finished first in his specialty in exactly 5 minutes, 45 seconds off the school mark. Stanislaus was strong in the field events, relying mainly on Louis Ladner, another twin winner. Ladner soared 19 feet in the pole vault and leaped 5 feet, 6 inches in the high jump. James Schexnayder, who hails from Welcome, La., tossed the shot 43 feet, 9 inches. 120-yard high hurdles—Jay Lacoste, G; Hugo Favre, BHS; Larry Ladner, SSC, 17.7. 100-yard dash—Alfonso Vasquez, SSC; Eddie Jones, G; Kent Collier, BHS; 10.6. Mile—James Morton, G; Tommy Monti, SSC; 5:40. 880-yard relay—Stanislaus, Gulfport, 14:15. 440-yard dash—Tommy Holden, BHS; Jerry LeBlanc, SSC; Ladner, BHS; 57.8. 220-yard dash—Vasquez, SSC; Lacoste, G; Larry Russell, SSC; 25. 180-yard low hurdles—Lacoste, G; Favre, BHS; Walter Gex, SSC; 24. 880-yard run—Monti, SSC; Loloacano, SSC; Edgar, Hughes, G. 2:20.7. Mile Relay—Gulfport, Stanislaus 3:59. Pole Vault—Louis Ladner, SSC; Barrell Smith, G; Jerry Crawley, G. 10 feet. Shotput—James Schexnayder, SSC; Chester Morgan, BHS; Woodie Santa Cruz SSC, 43 ft. 9 in. Discus—McDaniel, Gulfport; Moran, BHS; Gex, SSC, 123' 10". High jump—Louis Ladner, SSC; Lacoste, G; Billy Mount, Tommy Randolph and Crawley, G (tie) 5' 6". Broad jump—Holden, BHS; James Grace, SSC; Ladner, SSC. 19.1 1/2.

Three Tiger Cubs

Think They're Cats

Katherine Alliston, Mary Henderson and James Ginn, 8th graders, were chosen on the All Star team at the close of the county Grammar School tournament, Saturday, March 12. Others who made the team were Ferguson, Lettwin; Bertie Dawsey and Laura Elma Kennedy, Logtown. Boys who made the team were J. D. Nease, Sellers; Melvin Barnes, Logtown; Ladner Jones, Dedeaux; Larry Mitchell, Kiln. Mr. Wayne Alliston of Bay St. Louis presented the trophies to the winning teams, and a trophy to Aaron Academy for sportsmanship. Members of the All Star Team also received awards. The Tournament was held on March 10, 11 and 12 in Bay High's gym. Teams who participated were boys and girls from Logtown, Bay High, Logtown, Kiln, Aaron Academy, Sellers, Gulfview, Dedeaux and St. Joseph Academy. On Saturday afternoon, March 12, the semi-finals were held. Bay High finished on top. The top one game was between Logtown's and Kiln's boys. The winner was Logtown. —Bay High Student Prints

TIGERS LEAVE CAMP

Coach Lamar Lumberton and his boys went out for Spring training March 1. There were about 40 boys that reported. The first few days the boys were short during practice followed by full equipment. Coach is trying out a lot of new boys on the line plus the ones from last year. With a little experience they should become better players. Coach and his team will have a tough schedule next year. They will play Pascagoula, Lumberton, Perkinston, Long Beach, Poplarville, Petal, Purvis, Lucedale, Ocean Springs and Leakeville. There are five home games and five away. September 7 is the first game, and November 18 is the last. Coach remarked, "They're a nice bunch of boys all trying for positions on the first team. Several are freshmen and sophomores. This year, however, will be a little better shaped in the quarterback department. We now have three quarterbacks, Wayne Alliston, Grady Perkins and Ty Robinson. Perkins is a freshman and the other two are sophomores." The following boys are trying out for different positions on the team:

Name	Wt.	Pos.
Hugo Favre	185	LB
Fred DeHaan	180	LB
Wayne Alliston	135	QB
Grady Perkins	130	QB
Heffy Monti	155	RB
Ronald Maurigi	200	TE
Denny Neacise	125	RE
Gerald Dorr	135	LE
Ty Robin	135	QB
Harold Borgeas	145	FB
Tommy Karl	155	C
Tommy Hill	135	RB
Alvin Bernard	140	RE
John Perkins	160	RG
Bobby Boudin	185	RT
Gene Roos	155	LG
Ronald Wheat	210	RT
William Hursey	200	LG
Ernest Carver	200	RT
Richard Noonan	160	RE
Tommy Holden	185	RG

Stanislaus' sprinter from south of the border, Alfonso Vasquez, broke the tape ahead of the field in the century with 10.6 and the 220-yard dash in 25 flat. Bay High's all-round athlete, Tommy Holden, was another double winner. Holden, who was a letterman on the Tiger grid and cage teams, captured the 440-yard dash in 57.8 and sailed 19 feet, 1 1/2 inches in the broad jump. Lacoste, who holds the school record of 5 feet, 10 inches in the high jump, was second to Stanislaus' Louis Ladner. The event was taken with a posting of 4 inches under Lacoste's standard. Junior Jimmy McDaniel hurled the discus 123 feet, 3 inches. Lacoste and McDaniel, who also performed on the basketball court, will probably round into form later in the season. James Morton, the Commodore's senior miler, finished first in his specialty in exactly 5 minutes, 45 seconds off the school mark. Stanislaus was strong in the field events, relying mainly on Louis Ladner, another twin winner. Ladner soared 19 feet in the pole vault and leaped 5 feet, 6 inches in the high jump. James Schexnayder, who hails from Welcome, La., tossed the shot 43 feet, 9 inches. 120-yard high hurdles—Jay Lacoste, G; Hugo Favre, BHS; Larry Ladner, SSC, 17.7. 100-yard dash—Alfonso Vasquez, SSC; Eddie Jones, G; Kent Collier, BHS; 10.6. Mile—James Morton, G; Tommy Monti, SSC; 5:40. 880-yard relay—Stanislaus, Gulfport, 14:15. 440-yard dash—Tommy Holden, BHS; Jerry LeBlanc, SSC; Ladner, BHS; 57.8. 220-yard dash—Vasquez, SSC; Lacoste, G; Larry Russell, SSC; 25. 180-yard low hurdles—Lacoste, G; Favre, BHS; Walter Gex, SSC; 24. 880-yard run—Monti, SSC; Loloacano, SSC; Edgar, Hughes, G. 2:20.7. Mile Relay—Gulfport, Stanislaus 3:59. Pole Vault—Louis Ladner, SSC; Barrell Smith, G; Jerry Crawley, G. 10 feet. Shotput—James Schexnayder, SSC; Chester Morgan, BHS; Woodie Santa Cruz SSC, 43 ft. 9 in. Discus—McDaniel, Gulfport; Moran, BHS; Gex, SSC, 123' 10". High jump—Louis Ladner, SSC; Lacoste, G; Billy Mount, Tommy Randolph and Crawley, G (tie) 5' 6". Broad jump—Holden, BHS; James Grace, SSC; Ladner, SSC. 19.1 1/2.

The Pearl M. baseball team, coached by Galagher, will soon be playing Junior Collegeville on April the schedule by Galagher: 3-8-55 Hinds, 3-11-55 Pearl, 3-12-55 Ellis, 5-15-55 Sumner, 5-20-55 Ellis, 5-22-55 Hinds, 5-23-55 Wesson, 5-27-55 Perkins, 5-28-55 Sumner. All home games 7:30 p.m. Joe Hugo Mitchell and Mrs. Pe... make up the... wildcats. Charlie... Lomax of Lumb... the outfield wi... of Andalusia... of Florida, Ala... of Foxworth... plate will be... New Orleans.

COUNTY AGENT'S NOTES

BY HOWARD F. SIMMONS
Hancock County Agent

ELECTRIC FENCE CARE

Homemade electric fence devices may be death traps. Unsafe fences should be removed from every community and every farm. The National Safety Council suggests that no fence be charged from any electric source except through a controller that meets the requirements of a recognized testing laboratory. Approved controllers provide for a current that is limited to a few hundredths of an ampere and is only permitted on the line for a fraction of a second. The "off-period" must be long enough to let a person release himself from the fence. Small children are involved in more than half of the electric fence tragedies. Few people realize that even a small current can cause death. The current used by even a 7 to 10 watt bulb is

enough to electrocute a person. Victims "freeze" to the conductor and cannot release themselves until the current is shut off. Avoid locating electric fences near good grounds like a pipe line pump, stock pond, watering tank, irrigation ditch or other normally wet ground. Always prominently identify electric fences, especially those near buildings, property lines and roads. Never depend upon an electric fence to restrain bulls or other vicious animals.

HOG PRODUCTION

Sanitation can be the difference in profit or loss from your hog production activity. When you raise your pigs on old permanent pastures, hog lots and the like, you are heading for trouble. Once little pigs become infested with internal parasites, they become weak, unthrifty and often anemic. Such pigs are more susceptible to disease. Although pigs can be treated to get rid of internal parasites, often damage is already done to their hearts, livers and lungs before they can be treated. The best way to help insure healthy pigs is to provide separate pastures for sows and suckling pigs. Allot one-fourth acre of pasture to each sow and her litter. No other pigs should use

this pasture. If possible, plow the entire area twice a year as a parasite control measure. This of course, means temporary grazing crops on the area for the sow and pigs. You can safely run two to four sows and their litters together. However, all pigs should be about the same age. Running too many sows and litters together, including large and small pigs, will result in a number of runty pigs. If possible produce your own pigs. Chances of bringing diseases to your farm are lessened. At times you will find feeder pigs reasonable but chances

NOTICE OF ELECTION

Pursuant to the provisions of Chapter 253, Laws of 1938, an election will be held on the 7th day of May, 1955, between 9 a.m. and 2 p.m. to select from nominees three (3) Commissioners for the Hancock County Soil Conservation District. Voting Places: Lakeshore School, Kiln School, Aaron Academy School, Sellers School. Signed by authority of an order of the State Soil Conservation Committee in its minutes of March 11, 1955. CHARLES R. ASHFORD Secretary
